York's outlaws must go.

MANAGEMENT OF HUSBANDS.

The management of busbands, a ques-Sorosis struggled resultlessiy, so far as caster to believe. deciding upon real and generally practicable methods was concerned, on Monday, is to be taken up as a subject for discussion by Lyening World readers. Eisewhere is the announcement of the this idea here for the benefit of the girls who conditions of debate and of the prize want to go on the stage? which will reward the author of the best communication on the matter.

Probably no woman exists, or ever did exist, without her own peculiar ideas on of Allesbury, the spendthrift lord, who has the subject. Daily columns of theories secured permission to sell Savernake forest, drawn from these ideas, or experiences part of his ancestral estate, is, "We have resu ting from attempts to put the the- been." It is a very apprepriate motto. ories into practice, cannot fail to be of interest to men as well as women. And they are likely to contain many a happy suggestion for such conduct in marital life as will make marriage an assured success, assuming that there are causes American woman. Thus the whiritgig of which might otherwise have led to failure.

The report on the Croton water-shed laid before the Board of Health, declares Dom Pedro left a very small estate, and the the condition of affairs to be most serious Count and Counters d'Eu are dependent on the and growing worse. "It is." says the generosity of the Duke de Nemours, who allows them 10,000 francs a month for living expenses. report, "of paramount importance that report, of paramount importance that prompt and efficient means be taken to the form of a true ellipse, and, although it is of remove the sources of contamination enormous dimensions, it is so well contructed as already existing on the water-shed and regards accustion that a person standing in the to prevent future pollution from new whisper with any one in the focus at the other end. sources." Such a warning should not require repetition.

and his Plattites becomes more and more tute for dynamite in blasting. A strong current is pronounced the sound of a fiendish torned into the rock and the intense heat causes it to crack. outside the breastworks. But likely as Fireflies are employed in some of the West ludies not if one were to ask WARNER MILLER for lighting purposes, being confined in glass about it he, too, as did Bronsky, of "de eight," would solemnly aver that the organization of the Senate by the Democrats was "an outrage, sir," and

Four of the men who assisted in tarring and feathering poor Julia Bram in Glen Gardner, N. J., have been convicted and sentenced to pay fines or go to jail, or both. The sentences are literally light, but morally heavy. They will convince the convicted men and others that there is law in the land to protect even the week and erring from the outrageous as saults of a mob.

Bulgaria is defiant. She won't take back M. CHADOURNE. And the rest of Europe is painfully interested in the out-

come of this bold brushing of the chip off from France's stalwart shoulder.
